Report of Director and School Improvement Council

The Darlington County Institute of Technology (DCIT) serves as the career and technology education center for the Darlington County School District. The DCIT serves more than 950 students from Darlington, Hartsville, Lamar and Mayo high schools in Darlington County. Seventeen programs of study are offered in accordance with standards set by the South Carolina State Department of Education. The DCIT is accredited by the Southern Association of Colleges and Schools (AdvancED). The DCIT is committed to providing students with the skills and knowledge necessary to pursue post-secondary education and to enter the workplace prepared and capable of performing the task that will be required of them.

The DCIT had 224 students earn four or more units in a program of study (completer) and inducted 88 students into the National Technical Honor Society. The DCIT had 84 students earn Certified Nursing Assistant certification and 138 students earned OSHA 501 safety certification. Our students participated in DECA, HOSA, FBLA, FFA, PICA and Skills USA competitive events at the state level. Our HOSA students won first place in five competitive events, our Skills USA students won first and second place in the Industrial Motor Controls, and our Graphics students won four of the six competitive events and "Best of Show" in the PICA competition.

All of the completers at the DCIT take the Workkeys assessment as part of their course requirements. More than 65% of our students earned Silver or Gold cards from the Workkeys assessment.

The DCIT continues to actively pursue industry recognized certifications in ASE, NIMS, AWS and NCCER programs of study. We continually work with local industry and our curriculum to make sure we are teaching the curriculum that fits the industries needs. We at the DCI are always "leaping for success" to make sure our students rise to the level of excellence that is expected by the Darlington County School District.
